Memory

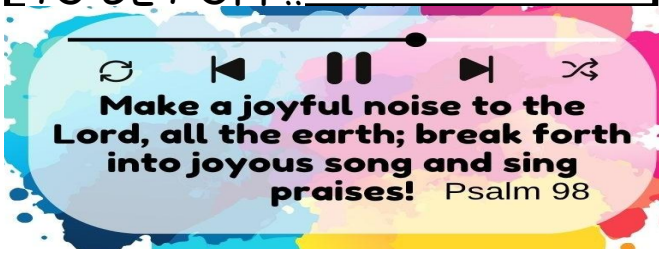
"You did not choose Me, But I chose you."

Show and Tell-We will begin this week. Show and Tell is for strengthening speaking skills and building confidence. Tuesday-Boys Thursday-Girls Family Unit

Keeping you in the know

Conferences are coming soon, September 24th. Please bring any concerns to my attention at that time.

We are settling into our routine. We are walking very quietly in the hall and Mr. Urban is pleased. We are raising our hands for answers and overall are a very kind hearted group. Recess is always an issue….mainly the tire swing. NO ONE WANTS TO GET OFF!!



Learning is Fun!

Thank you for sending back the ME poster of your child. We are learning about our unique gifts and how we fit into different kinds of families. Today we are writing about all the blessings God has provided us and our families.

Memory-I am impressed this year on how our children are able to memorize their Bible verse each week. Keep it UP! It is amazing in the long run how these verses will pop up in their daily lives as to their faith in Jesus!

Spelling Words-

big did dig in pig sit fit it pin sip

Challenge words-fish ship
We will test on Friday.

GREAT NEWS

I am very happy about how the children are moving along in learning reading skills. I will send books home to read occasionally in their large envelope. Please take the time to let your child read it and then send back the next day. Thank you.
